<http://www.Rainbowrichesslot.com> has now been one of the internet's top destinations for Rainbow Riches slot aficionados' for some time. This week sees the site team up with top slot house, Slotmine to bring Rainbow Riches experts one of the best sign up offers on the web.

People are leaving behind the old slots of yesterday such as 'The Wheel of Fortune' and 'Cleopatra' in favour of IGT's latest killer slots, the Rainbow Riches series. Both Rainbow Riches Pots of Gold and Rainbow Riches Win Big Shindig have been attracting slot fans of all skill levels to their reels and one of the reasons for this is sites like Rainbow riches Slot. These guys have been providing players with the best information, strategies and updates on these Irish themed slots for almost a year now and have decided to team up with top internet casino, Slotmine to win their subscribers that little bit extra play at this top online gaming house.

We asked the first lady of this fantastic site, CM Jones for a comment on this new partnership. She found a little time in her busy day to tell us "At Rainbowrichesslot.com we value our audiences and have been bringing them the latest news about these great slot games for a number of months now. We felt it was time to present our [Rainbow Riches](#) players with a little Christmas bonus so we contacted our operators to see what bonuses they were willing to offer our loyal

subscribers. Slotmine came back with a fantastic opportunity where players can get a whopping £250 on sign up and we felt this was worthy of making them number one and the featured Casino on our site”

Slotmine Casino isn't the only casino featured at this **[Rainbow Riches Slot Machine](#)** review site, however it is amongst a selection of gaming providers who have all been vetted and recommended by their team of experts who have years of knowledge in both playing games and working in the industry. They will only put their names to the safest, most reliable casinos where they know that not only will your money be safe, but you'll also have the best Rainbow Riches experience possible.
