Released on: January 24, 2011, 05:47 am

Author: **Casey Yang**

Industry: [Small Business](#)

*ezW2 2010, W2 1099 software, is affordable but fully functional software designed for the non-accounting small business and accountants who needs to file and print Form W-2 and Form 1099. The software is available for free download from [halfpricesoft.com](http://halfpricesoft.com).*

The Clock is ticking! **halfpricesoft.com** reminds small business owners that **Monday, Jan 31, 2011** is mailing deadline for year 2011 Tax season.

Halfpricesoft.com is a leading provider of small business software, including

payroll software, employee attendance tracking software, check printing software, W2/1009 software, and barcode generating software. Today Software from [halfpricesoft.com](http://halfpricesoft.com) are trusted by thousands of users and help small business owners simplify their payroll processing and business management.

Developed by [Halfpricesoft.com](http://Halfpricesoft.com), ezW2 is simple and robust software that prepares and prints 1099 and W2 forms. Known for its ease of use and affordability, ezW2 is available online at [halfpricesoft.com](http://halfpricesoft.com).

*"We intentionally engineered this software for business owners who are not professional accountants and tax experts," said*

*Halfpricesoft.com founder Dr. Ge. "We believe small business software should be simple - stupid simple - so that business owners can focus their time and energy on running their businesses, not trying to figure out how to run these tax reporting software."*

Halfpricesoft.com designed ezW2 2010 with the non-accounting small business owner or manager in mind. Now available with PDF electronic printing, ezW2 software for W2 and 1099 preparation contains several features for cutting paper consumption and reducing waste, making for a more environmentally friendly tax season

### **ezW2 2010 1009 W2 software Highlights:**

- 1) ezW2 2010 can print 2 forms on one sheet—using half as many expensive red form sheets
- (2) ezW2 2010 eliminates need for W2 Copy A and W3 by laser printing Social Security Administration-approved substitutes on plain white paper
- (3) Users save valuable time by eliminating the learning curve—ezW2 2010 is designed to be simple and intuitive, allowing users to get started right away
- (4) Users save valuable time by importing employee data and contractor data from csv file - no need for users to enter the data one by one.
- (5) Users save even more time by saving form data for later use and modification
- (6) Support unlimited accounts with one flat rate
- (7) PDF document converting
- (8) At \$39, ezW2 is among the lowest priced, full-featured software available for small businesses.

### **Pricing and Availability:**

Best of all, anyone looking for an easier way to print and file W2's, W3's, 1099's and 1096's, can try ezW2 2010 without cost or obligation. The software is available for free download at <http://www.halfpricesoft.com/w2-software-free-download.asp>.

And the license key is just **\$39** per installation with supports unlimited accounts and employees.

The download package includes a sample database, which makes sampling ezW2 2010 even easier. Users don't have to waste time entering data just to try the software; all they have to do is upload the

sample database and start trying the features. This saves customers time and money and ensures that ezW2 2010 is right for them before they buy.
