The famous online Rainbow Riches site teams up with the world famous Virgin Casino, in a tale of luck and quality to help online players with this famous old slot machine.

The Rainbow Riches slot games just keep on getting more and more popular. There seems to be no stopping their domination of the UK slot scene, with damn good cause; go down your local pub and you'll probably see a Rainbow Riches Barcrest fruit machine pulling in the punters and if you're an online casino goer, then you're going to the wrong sites if you've never heard of Pots of Gold or Win Big Shindig. There are a number of sites around the web that celebrate the brilliant online slot Rainbow Riches variants, one such site is www.rainbowrichesslot.com

Another winner in the internet gaming stakes is the Virgin online casino. This is without question the world's best online gambling destination, utilising a number of platforms including the awesome IGT casino software. Not only does this give you access to both the Rainbow Riches slots, but it also allows you to play some of the top games of the moment including the Cleopatra and Monopoly slot families, Wolf Run, Super Hoot Loot and the much, much vaunted Megajackpots progressive slots. Virgin are top for customer support, offering you a service where they'll call you back and foot the bill if

you've got any problems, which is just one of a number of excellent little touches that sets them apart from the field and makes them quite simply the top of this field.

Now, the best have got together to bring you one of the best Virgin incentives on the web. If you sign up for the Virgin casino through rainbowrichesslot.com then you can enjoy a phenomenal £150 first deposit bonus. We approached Virgin's Casino Affiliate Manager Ollie Wilson for a statement and he told us "We simply love this Rainbow Riches site; it's one of the best Rainbow Riches information sites on the web. As Virgin only likes to associate themselves with the top offerings from the Internet, we've decided to give people who sign up through this site an extra bonus to reward the developers, designers and content writers who've put this well thought out site together"

Finally, as everyone knows, the Virgin group has done a lot more than produce a top class online casino. These boys and girls have also got their fingers in a number of other pies, including the best cable broadband service in the UK, low cost mobile telephony and travel, to mention but a few. If you sign up to the Virgin Casino, not only can you get an excellent bonus from this rainbow riches site, but you can also earn yourself **V*Points** that can be spent on a number of different Virgin products.

If you're one of the few people online who are yet to try out the Rainbow Riches slots you can do so at the excellent **Virgin Casino** [<http://www.rainbowrichesslot.com/rainbow-riches-casino/virgin-casino-review.php>] completely free of charge, gratis.

You don't even have to download any software as they can each be played straight from the website, giving you a chance to sample their delights at a mere mouse click.
