Author: Majestic MRSS Ltd. Industry: International Trade

After Commencing full service operations in China 2008, Majestic MRSS today announced the expansion of its greater China presence. The company has opened full service offices in Taiwan, Beijing, Guangzhou and Hong Kong, in addition to its existing Regional Head Office in Shanghai.

Commenting on the development, Mr. Thomas Baudin - Executive Director (China Operations), said, "with Clients increasingly looking at delving deeper into China; having a larger footprint was essential."

The Company has also opened qualitative research facilities in all locations and enabled the Taiwan, Beijing and Shanghai Facilities with Focus Vision and AVG video streaming services. The one way mirror studios are state of the art and offer usability testing services including eye tracking as well.

Mr. Raj Sharma, Co-Founder & President, said, "We are delighted, primarily because Our Clients are happy with our ability to offer then extended and deeper coverage of the region. Once again this development is wholly Client driven."

The Company now has twenty two facilities in fourteen countries across Asia Pacific and the Middle East.
