Victoria Swan, designer and director at Glitzy Secrets said: "The art of 'Burlesque' has undoubtedly seen a revival over the last decade, most recently with the Sony Pictures movie, 'Burlesque', featuring Cher and Christina Aguilera. Associated with glamour and drama, modern-day icons such as Dita Von Teese have shown how influences of Burlesque inspired style can be carried into the everyday wardrobes of women to beautifully accentuate their curves and femininity. Also key in achieving the classic Burlesque style are bold accessories, with a focus

on statement [burlesque jewellery](#) bejewelled headpieces, gem encrusted chandelier earrings and sparkling ornate cuffs."

'Burlesque' tells the story of a small town singer (Christina Aguilera) who moves to the big city for her chance at stardom when she discovers Burlesque, a glamorous nightclub packed with dancers, musical numbers and an owner (Cher) in need of a star.

The film will be available from April 25 on Blu-ray and DVD.
