

Casino Guide, eDealCasino.com, Upgrades to New Design

Released on: June 07, 2011, 1:59 pm

Author: [eDealCasino.com](http://eidealcasino.com)

Industry: [Entertainment](#)

The Netherlands casino review site eidealcasino.com is pleased to announce that has re-launched the site with a new fresh look.

The updated design of the website has been a process which has taken a few months of test and design. The casino guide aim is to provide visitors with up to date information on the current best online casinos with the option of iDeal payment system for a safe and secure gambling experience.

Many players already understand the benefits of using eDealCasino.com as an [ideal casino](#) guide, and with the ever increasing amount visitors making their way through the site, the popularity of eidealcasino.com as an invaluable tool for the best gambling experience is naturally increasing.

Eidealcasino.com guide can tell you all that you want to know about the world of gambling and where to go to find the best deals. Many casinos will give special points and even money to those who are signing up for the first time.

The new design is much clearer and as such should allow visitors to select the online casino of choice much quicker. The new site has also improved the readability of articles.

The eidealcasino.com team is pleased with the new design and hopes that visitors will also find the site much easier to find the perfect online casino for them.
