Premium apartment vacation rental agency Paris Perfect is looking forward to a summer filled with sport, music and celebration – and is expecting its apartments to be in greater demand than ever as people flock to enjoy the multitude of events on offer.

The world's most famous cycle race, Le Tour de France, comes to its customary exciting climax in Paris, with its competitors streaming down the Champs-Élysées to the finish line before a triumphant award ceremony on 24 July.

For those who prefer music, the legendary annual Paris Jazz Festival is already in full swing in the beautiful Parc Floral – but there are plenty of world-renowned acts still to enjoy, including the Trilok Gurtu African Project on 10 July and the Jean-Philippe Viret Quartet à Cordes on 31 July, the final night.

Other hotly-anticipated events include the Paris Chopin Festival (to 14 July), celebrating the life and work of the famous romantic composer; beach-themed festival Paris Plage (July and August), between bridges Pont des Arts and Pont de Sully; and music festival Rock en Seine at Domaine National de St-Cloud (26 to 28 August).

This all makes the next few months an extremely popular time for [Paris vacation rentals](#) and Paris Perfect is warning potential guests not leave bookings until the last minute.

Sarah, Head of Customer Service, said: "Paris is always a magical place, but it really comes alive in summer with these fabulous events. [Paris apartments to rent](#) are an ideal way to enjoy everything that the City Of Lights has to offer during July and August.
