Wauconda, IL, August 26, 2011 - Artist Sheryl Konnerth has developed a new, unique product, the one and only , to help students and alumni alike show their support for the**Hook 'em Horns Fork** University of Texas!! This is the perfect fork for tailgating or watching the game at home! Great for serving olives, cheese, pickles, fruit and more, this hand crafted and designed fork replicates the shape of those famous longhorns and is hand beaded with premium glass beads in University of Texas colors. Great for gifts, home use or as a fundraising item for your next University of Texas event. The suggested retail price is $19.99. Also available on a wholesale basis.
