Eclipse Leisure is celebrating its position as the UK's leading stag and hen weekend event organiser by announcing the launch of its new stag and hen Legends Gallery on Facebook at <http://www.facebook.com/eclipseleisure>. The gallery is an opportunity for stags and hens to post photos of their stag and hen parties online and share them with others.

Alasdair Adam, MD of Eclipse Leisure, says he hopes the Facebook Legends Gallery will help stags and hens to share the fun of their carefully organised events with each other and with the world:

'The idea for the gallery came about because so many of our customers email us with their photos and thanks for the great stag and hen events we organise for them.'

Each month, there will be a competition to choose the best stag and the best hen photo and the crowning of [Eclipse Leisure](#) Legends of the Month. The stag and hen legends will each receive a carefully selected box of indulgent treats, and the company expects hot competition between the stags and the hens.

[Eclipse Leisure stag parties](#) are already legendary among the many thousands of customers who have booked them over the past 12 years. The company prides itself on its dedicated team, which organises the best stag parties and stag weekends in the UK and Europe. The choice of activities for stags ranges from 007 spy training to whisky tasting. The company offers full support for all events, from your first visit to their website to 24-hour weekend assistance and customer satisfaction follow-up after the event.
