

Thumbs Up for the Child Psychology Diploma!

Released on: December 12, 2011, 10:43 am

Author: [NCC Home Learning](#)

Industry: [Education](#)

NCC Home Learning's Child Psychology Diploma has received a fantastic response from current students.

The students studying with NCC [Home Learning](#) have been leaving extremely positive reviews regarding the Child Psychology Diploma. They have even stated how the course has helped them continue on to university and has furthered their careers.

L. Blay has recently completed the Child Psychology Diploma and said: "Thank you for your support during these 12 months - I have loved every minute of my course and am pleased to say that it has benefited both me and my children!"

K. Prinsloo, a Child Psychology Student also stated: "I would just like to say thanks for everything and I am actually studying child psychology at University level now, I enjoyed the module a lot and it definitely helped me make the choice to take it further."

The NCFE Level 3 Child Psychology Diploma provides the skills needed to help children reach their full potential and become happy and balanced adults.

The course is ideal for anyone working with or around children and can even help parents with their own children.

NCC Home Learning aim to provide the option of distance learning for everyone, they enable you to train around your busy life style, making it easier to educate yourself or staff members.

NCC Home Learning also offer a number of Teaching Assistant and [Child Care courses](#) among other home learning courses suitable for anyone wanting to progress in their career or further their current knowledge.
