May 25, 2012, 11:32 am -- /[EPR NETWORK](#)/ -- With the Guidecraft range of children's furniture, now available at the House of Sixty online store, you can add a sprinkling of colour and magic to a child's bedroom and enjoy useful storage and organisation solutions to boot.

From children's tables and chairs sets, to toy boxes, storage step ups, clothes trees and more, the Guidecraft range features expertly crafted and beautifully painted wooden furniture, in a variety of inspiring themes; offering something to stimulate a little one's imagination, and even make tidying fun.

Among the many exciting themes available, you will find the candy coloured Guidecraft Princess range, featuring table, chairs, toy box, storage step up, book case and mirror; each adorned with a magical

princess carriage, royal castle, ribbons, shooting stars and more. Your very own little princess will love a bedroom transformed into a dreamy wonderland. Meanwhile, you will enjoy the many [toy storage](#) possibilities available within the range; making it easier to tidy up and live happily ever after.

The [Guidecraft Safari collection](#) is a guaranteed hit with young explorers; who'll love this beaming blue set featuring vibrant lions, elephants, giraffes and more. With tables, chairs, a book display, toy box and safari-themed clothes tree, the Safari range has everything you need to transform your child's bedroom into an exotic and fun-filled paradise.

Other Guidecraft children's furniture themes include Farmhouse, Sweetie Pie, Butterfly, Transportation and Pirate. Each set guarantees to breathe exciting new life into your child's bedroom; and with all the ranges starting from only £36.60, you'll enjoy each expertly crafted furniture piece just as much yourself.

Other highlights of the Guidecraft range include the Hideaway Country Kitchen and Hideaway Playtime Kitchen. These best-selling children's play kitchens can compact to a depth of just 6" within a few seconds and a few simple steps. This allows these endlessly enjoyable play sets to be stored easily and efficiently once play time is over. Complete with sink, stove, oven and pull out rack, these interactive play sets introduce your children to all of the fun that the kitchen can offer; ideal for children from the age of 3 and upwards.

Visit the **House of Sixty** site today and explore the entire Guidecraft range of children's [furniture](#). If you are considering redecorating a child's room, one of the colourful, unified themes available could be everything you hoped for and more besides.
