Automaten Herz launches new gaming info-portal for German online audience

Berlin, Germany, December 29, 2015 — /EPR NETWORK/ — Recently, a German gaming portal Automaten Herz (https://automatenherz.com) experienced an expansion, in hopes that the satisfaction of a lot more newcomers will be gladly met on the site.

An extensive community of German players has been enjoying gambling games, slot machines and online roulette (https://automatenherz.com/roulett/) for many years, and now Automaten Herz has an exclusive possibility to provide this demanding audience with high standards of its services.

One of the site's top three goals is to provide an uneducated guest with an opportunity to learn about various aspects of online gambling. Be it an online casino or a slot machine ("spielautomater" in German) the site strives to provide extensive information about it all.

A list of casino bonuses as a ticket to the world of amazing gambling possibilities

There are constantly developing variegated bonus systems together with the best free casino games at automatenherz.com.

Game titles and game features exist on the site, thanks to the efforts of Sheriff Gaming, WMS, Rival, Cryptologic, and NetEnt, which are well-known game developers and providers of classic slots and table games (https://automatenherz.com/spielautomaten-provider/).

Due to such giants as Amaya, Playtech, Microgaming, and Novomatic, the Automaten Herz gaming portal adapts a modern, convenient, and user-friendly interface along with exclusive capabilities of gaming service, namely:

- 1.the obligatory presence of a 'free play' option, which allows players to choose real money payment when they wish to, whereas all game features still remain available. All free slots have rules, some of which clearly specify the amount of possible winning for both non-deposit and prepaid gambling styles
- 2. Automaten Herz invigorates its users by proposing them special games that become available at a particular time or exclusively within contests and tournaments. It is possible to join hundreds of representatives of international gambling business that demonstrate their skillfulness, manipulating with blackjack rules and the strategies of placing a bet
- 3. Improved accessibility of gambling, which means every game has its mobile version. NextGen, ISoftBet and OpenBet were among the first game providers, who made the possibility of cross-platform and no-download free playing available.

A variety of games and special propositions at Automatenherz.com

There are such hits as Trolls, South Park and Mythic Maiden that rivet players' attention above all. These games feature free spins and wild symbol as well as multipliers and bonus games. Also, for free play with Trill Spin, Hall of Gods and Robin Hood the user necessarily receives free spins, and therefore is able to develop a gambling strategy that best suits him or her.

Most games, including Thief, Excalibur and Fortuneteller have autoplay option due to which players can save their time and continue testing their luck even without their personal involvement.

Automaten Herz also features special offers, gift tokens and casino codes in order to promote users in their gambling eagerness. With such masterpieces as Creature from The Black Lagoon and Crusade of Fortune, as well as with almost all other games, the player will definitely find the way to a winning without having to get registered.
