

Tarps Now® Continues Expansion of Stock and Custom Tarp Fabrication Services

ST. JOSEPH, Michigan, U.S.A., 2019-Sep-06 — /EPR Network/ — Tarps Now® is pleased to announce the release of its custom tarp manufacturing services that is serving the needs of municipalities, contractors, developers, manufacturers and consumers with custom made industrial grade tarps engineered to maximize long term results through resistance to tears, scrapes, acid, mildew, oil and grease. Other innovations include premium grade of construction features, such as 'spur grommets' which help users rapidly deploy and fix tarp coverings with rugged "tie-down" features.

In addition to the foregoing, Tarps Now® Mesh Tarps offerings now include protective Windscreens that offer the selection of varying levels of both UV protection and wind resistance based upon advanced design and material fabrication. Applications for Tarps Now® Mesh Tarps extends to uses in connection with Disaster Recovery in and around homes, such as patios, decks, thresholds, gazebos, pools, picnic areas, barns, kennels and other outdoor recreational areas.

Conversely, many businesses are adopting the use of Tarps Now® Mesh Shade Tarps to protect employees who work in areas where prolonged exposure to the elements exists such as in agricultural processing areas, animal feedlot areas, warehousing dock areas, shipping and receiving areas, and many other applications.

To meet the need for custom fabricates mesh tarp coverings in a variety of mesh screen exposure ratings, weights, fabric grades and colors, Tarps Now® custom designs, engineers, fabricates and delivers custom made tarps to provide outstanding levels of protection from intense sunlight, as well as other forces of nature.
