

Tarps Now Increases Focus on Heavy Duty Tarps Serving the Construction Industry

Company Increases Commitment to Tarp Covering Product serving North American EPC Contractors

St. Joseph, Michigan, 2020-Feb-26 — /EPR Network/ — Tarps Now® is pleased to announce the addition of new lines of Super Heavy Duty Tarps, Heavy Duty Tarps, and task specific tarps engineered to meet the needs of Engineering, Procurement and Construction (“EPC”) contractors throughout the North American construction marketplace.

Serving the needs of EPC contractors actively engaged in completing turn key projects that require meeting rigid milestone completion, Tarps Now® has developed systems to timely deliver accurate cost quotes, rapid order processing and deliveries of both stock sized tarps and custom tarps. EPC served by Tarps Now® includes EPC contractors who utilize these highly durable tarp coverings to develop and construct a wide range of facilities. Such industries include heavy industry, electric and gas utilities, oil and gas pipelines, retail shopping centers, multi-family community projects, and healthcare industry facility projects.

In addition, Tarps Now® serves a large base of customers requiring stock and custom sized heavy duty tarps utilized in both light and heavy manufacturing, industrial warehousing, railways, trucking, aerospace and agricultural industries.
