

Never pay Security alarm monitoring fees again!

Jacksonville, FL, 2020-May-19 — /EPR Network/ — uSecureProp, LLC's, uSecurehome/biz device, enables existing home/biz security systems to be easily converted to self-monitoring and never having to pay monthly monitoring fees again! Also for home owners who have an installed system but do not have a monitoring service.

Owners receive an alarm call, text and email with roll-over to back-up numbers and police, identical to the typical monitoring services.
